

Environmental Citizenship Declaration

Conflict Materials

At Logic Supply, Inc DBA OnLogic, we are committed to sourcing responsibly. We do not knowingly source goods incorporating conflict materials at any point in the supply chain.

We take all reasonable measures to ensure our products are free of conflict minerals and are compliant with global Sustainability initiatives, and require that our suppliers adhere to this same policy. Although Logic Supply, Inc DBA OnLogic purchases only finished goods, we conduct regular reviews of our partners to ensure ongoing compliance.

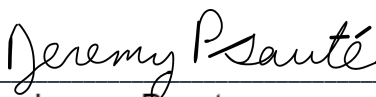

- We comply with requests from EICC-GeSI
- We conduct reasonable country of origin inquiries for our sourced goods domestically and abroad
- We engage and encourage all employees and partners in the supply chain to escalate questions regarding the conflict minerals policy to management

Counterfeit Goods Avoidance

OnLogic, Inc DBA Logic Supply recognizes the risks posed by counterfeit goods to the safety and intellectual property rights of our customers, employees and our partners in the supply chain. We are committed to sourcing only the highest quality goods in accordance with our rigorous quality control standards. To ensure the consistent quality of our products and services, we only purchase product through our authorized manufacturers and suppliers, and require that all product is authentic, new, and fully warranted and complies with all relevant regulatory standards. We conduct regular reviews of our suppliers to ensure continued compliance with this declaration.

RoHS & REACH

Logic Supply, Inc DBA OnLogic. is dedicated to complying with EC directive 2015/65/EU (the Recast RoHS Directive or RoHS 3 Directive), which restricts the use of hazardous substances in electrical and electronic equipment. Based on information provided by our suppliers, Logic Supply takes all reasonable measures to ensure that our products and those of Our Suppliers are compliant with this directive. Similarly, Logic Supply, Inc DBA OnLogic is committed to ensuring compliance with REACH, the Registration, Evaluation, Authorization, and Restriction of Chemicals within our supply chain. Although REACH is an EU regulation, Logic Supply, Inc DBA OnLogic is committed to responsible global citizenship and will not supply, resell, or manufacture products that involve the intentional release of said restricted substances, notably substances of very high concern (SVHCs).
