

TM400

The TM400 series of panel PCs combine an energy-efficient, yet powerful, Intel Bay Trail processor with a sleek, responsive panel.

onlogic.com/tm400

Bright, Clear Touch Display

Integrated LCD features optimal brightness and resolution with accurate touch controls.

IP-65 Front Bezel

Front bezel resistant to spills, splashes and debris.

Flexible Mounting

Support for panel and VESA mounting allows for flexible installation anywhere.
